

20 Peace

Why we can't live all in peace?
Why there must be war and hate?
We could live in heaven on earth,
if we live and let live!

Forget all your pain!
Forgive the moralless!
(2x)

Follow your heart!
Give peace a chance!
Trust in yourself
and never give up!

Let's live all in peace and harmony!
Let's end all that war and hate!
We could live in heaven on earth,
if we live and let live!
