

21 In Love with Art

You are my life!
You give me reason,
I can survive
this black season!

You treat me nice!
Never let me go!
You're beyond the price,
I surely know!

It's easy to see,
what you mean to me!
What would I do,
if I ain't got you?

I dedicate
my whole life to my art!
It's fully made
of what's in my heart!

You are my life!
You give me reason,
I can survive
this black season!

You treat me nice!
Never let me go!
You're beyond the price,
I surely know!

You mean everything to me!
You made me, how I am,
you made me, how I am!

I do anything for you!
You take me, as I am,
you take me, as I am!

You...are my life!
