

22 Love is a Wonder

Love is a wonder between two people
by the grace of God,
by the grace of God!
It's like a thunder bolt deep in my heart,
when I realized, what I feel for you!

I will always believe in love
and when it hurts, I will stand it!
I will never give up the hope,
I will find you, my darling!

Love's, what makes us human!
(2x)

Love is a wonder between two people
by the grace of God,
by the grace of God!
It's like a thunder bolt deep in my heart,
when I realized, what I feel for you!

Love is a wonder, oh yeah,
love is wonder, oh my baby, love is a wonder!
(2x)

Love's, what makes us human!

Love is a wonder between two people
by the grace of God,
by the grace of God!
It's like a thunder bolt deep in my heart,
when I realized, what I feel for you!
