

24 Holy Prayer

So deep in my heart,
I'm crying and sighing!
Don't let this fall apart!
This world is dying!
I scream up to heaven,
I scream, I scream:

Save the world!
Change the people!
Deliver us!
Deliver us!
Illuminate everything!

Never ever give up the people!
Don't leave us here in hell!
It's not easy to be a human!
We all need your grace!

Save the world!
Change the people!
Deliver us!
Deliver us!
Illuminate everything!
