

26 Heart of an Angel

I got the heart of an angel!
I got the will of a warrior!
My soul is free from the chains now!
My hope came back again!

Even if life is not always easy,
I will find my way to heaven some time!
Nothing can stop me!

I wanna heal everyone and everything!
I wanna give you eternal light directly from the sun!
I gotta do, what I believe in and what is right!
I gotta give everything for love, peace and freedom!

I got the heart of an angel!
I got the will of a warrior!
My soul is free from the chains now!
My hope came back again!
