

## **28 This is for You!**

Love is stronger, than hate!  
Peace is better, than war!  
Instead of death,  
I will always choose life!  
Instead of sadness,  
I will always choose happiness!

Whenever you feel lonesome,  
whenever you feel pain in your heart,  
this is for you!  
Let me dry your tears!  
Let me tell you, you are as good  
as you are!  
Whenever you feel hopeless,  
whenever you can't see any sense,  
this is for you!  
Let me sing for you!  
Let me share my love with you,  
with you all!  
Let me share my love with you!  
(2x)

This is for you! This is for you!
