

30 Heaven on Earth

You touch me very deep inside!
Our souls connected like a chain!
Our souls connected like a chain!
My thoughts revolve around you!
My heart beats loudly in my chest!
My heart beats loudly in my chest!

In my mind, it's me and you!
Would you make my dreams come true?

Let me save you!
Let me save you tonight!
I swear, I'm gonna make you happy!
I will always take good care of you!
Could I be the one for you?

Smell the fragrance of a sweet temptation!
The devil promises me heaven on earth!
The devil promises me heaven on earth!
Is it right or is it wrong?
Is there a chance for you and me?
Is there a chance for you and me?

In my mind, it's me and you!
Would you make my dreams come true?

Let me save you!
Let me save you for ever!
I swear, I'm gonna make you happy!
I will always take good care of you!
Could I be the one for you?

No longer, I can't stop my feelings for you!

I feel so blessed to have you in my life!
Let me hold your hand and stroke your cheeks!
I wanna fall asleep with you in my arms,
with you in my arms!

In my mind, it's me and you!
Would you make my dreams come true?

Let me save you!
Let me save you for ever!
I swear, I'm gonna make you happy!
I will always take good care of you!
Could I be the one for you?

Could I be the one for you?
Could I be the one?
Could I be the one for you?
Could I be the one?
Could I be the one for you?
