

32 Innocent

You are so innocent!
Baby, just like a child!
You are magnificent
and it makes me so wild!
You are significant,
we didn't meet coincident!
Darling, please stay by my side!

Something, I just know!
Something, I just know:

I feel so blessed, God sended an angel to me!
I feel such a gratitude for every moment with you!
Never I felt such an energy, like I'm with you!
Never I felt such a happiness, like I'm with you!
It just feels right, when we're laughing and talking and singing!
It just feels right, how we like eachother, how we are!

Listen to me, Baby, can't you see?
You are so innocent!
Baby, just like a child!
You are magnificent
and it makes me so wild!
You are significant,
we didn't meet coincident!
Darling, please stay by my side!

Never in my life,
I met someone, like you!
How could I survive,
if you don't want me, like I do?

Something, I don't know!

Something, I don't know:

Do you feel the same?

Do you feel the same?

Would you make me to the happiest man in the world?

Would you make me to the happiest man in the world?

Would you mind, if I hold your hand?

Would you mind, if I kiss your lips right now?

Never in my life,

I met someone, like you!

How could I survive,

if you don't want me, like I do?

Listen to me, Baby, can't you see?
